

On the day of Christmas,
To be prepared indeed,
For washing and for drinking,
Some water's what you'll need!

On the day of Christmas,
For warming hands and feet
I'm sure that you'll agree
These hand warmers can't be beat!

<http://foodstorageandsurvival.com>

On the day of Christmas
To mend a tear or split,
We're adding to your prep supplies
This handy sewing kit!

On the day of Christmas,
We think it would be swell,
To store some dust masks just like these
To keep you breathing well.

<http://foodstorageandsurvival.com>

On the day of Christmas,
We've brought you some TP.
You know you need to store a bunch
For an emergency!

<http://foodstorageandsurvival.com>

On the day of Christmas,
For emergency hygiene,
Some soap in your storage
Will help to keep things clean!

<http://foodstorageandsurvival.com>

On the day of Christmas
We thought it would be cool,
To add to your emergency supplies
This handy little tool!

<http://foodstorageandsurvival.com>

On the day of Christmas,
When things get a little tricky,
You'll find a lot of uses
For some duct tape that is sticky!

<http://foodstorageandsurvival.com>

On the day of Christmas
Some light will help you see
When all the power's out
And there's no electricity!

<http://foodstorageandsurvival.com>

On the day of Christmas,
We know you'll benefit
From dressings and from bandages
Found in this first aid kit.

<http://foodstorageandsurvival.com>

On the day of Christmas
Some rope will be just right,
For lashing and for hanging
And for tying things up tight!
