

EVERY DAY CARRY KIT CHECKLIST

Your every day carry kit contains items that will be with you throughout the day, either in pockets, or in a purse or other small bag. This kit is necessarily smaller and lighter weight than a standard survival kit. This list covers suggested items, feel free to adjust to your own situation.

- Pocket knife and/or multi-tool
- Small first aid kit
- Water purification tablets
- Self defense tools such as pepper spray, firearm and ammunition (if legal where you live)
- Fire starting–lighter, wallet sized magnifier
- Flashlight
- Identification (should be in your wallet already)
- Whistle
- Cash (small bills/change)
- Portable charger for cell phone
